

Specification

Technical Data Sheet

Product Name	Calcium molybdate
---------------------	-------------------

Product No	45046729
-------------------	----------

CAS Number	7789-82-4
-------------------	-----------

Storage Temperature	Ambient
----------------------------	---------

Molecular Weight	200.0356
-------------------------	----------

Specification

Appearance	White powder
-------------------	--------------

Identification	Conforms to reference
-----------------------	-----------------------

Assay	≥ 98%
--------------	-------
