

# Specification

## Technical Data Sheet

<b>Product Name</b>	Lithium bis(trimethylsilyl)amide
---------------------	----------------------------------

<b>Product No</b>	45508924
-------------------	----------

<b>CAS Number</b>	4039-32-1
-------------------	-----------

<b>Storage Temperature</b>	Ambient
----------------------------	---------

<b>Molecular Weight</b>	167.33
-------------------------	--------

### Specification

<b>Appearance</b>	White to light yellow powder
-------------------	------------------------------

<b>Assay (Titration)</b>	96.5 - 103.5%
--------------------------	---------------
