

Specification

Technical Data Sheet

Product Name	n-Eicosane
---------------------	------------

Product No	45515231
-------------------	----------

CAS Number	112-95-8
-------------------	----------

Storage Temperature	Ambient
----------------------------	---------

Molecular Weight	282.55
-------------------------	--------

Specification

Appearance	White fused solid
-------------------	-------------------

Melting Point	36 - 40°C
----------------------	-----------

Assay GC	≥98.0%
-----------------	--------
