

Specification

Technical Data Sheet

Product Name	Tetraoctylammonium bromide
---------------------	----------------------------

Product No	45634299
-------------------	----------

CAS Number	14866-33-2
-------------------	------------

Storage Temperature	Ambient
----------------------------	---------

Molecular Weight	546.79
-------------------------	--------

Specification

Appearance	White crystal
-------------------	---------------

Assay	≥99.0%
--------------	--------
