

Specification

Technical Data Sheet

Product Name	Decyltrimethylammonium bromide
---------------------	--------------------------------

Product No	45772011
-------------------	----------

CAS Number	2082-84-0
-------------------	-----------

Storage Temperature	Ambient
----------------------------	---------

Molecular Weight	280.29
-------------------------	--------

Specification

Appearance	White powder
-------------------	--------------

Loss on Drying	≤6.0%
-----------------------	-------

Cadmium (Cd)	≤10ppm
---------------------	--------

Content	≥98.0%
----------------	--------

Iron (Fe)	≤10ppm
------------------	--------

Sulfated ash	≤0.1%
---------------------	-------

Copper (Cu)	≤10ppm
--------------------	--------

Specification

Lead (Pb) $\leq 10\text{ppm}$

Manganese (Mn) $\leq 10\text{ppm}$
