

Specification

Technical Data Sheet

Product Name	Ammonium hydrogen difluoride
---------------------	------------------------------

Product No	45849153
-------------------	----------

CAS Number	1341-49-7
-------------------	-----------

Storage Temperature	Ambient
----------------------------	---------

Molecular Weight	57.04
-------------------------	-------

Specification

Appearance	White flake
-------------------	-------------

Assay	≥95.0%
--------------	--------
