

Specification

Technical Data Sheet

Product Name	Methanesulfonic acid sodium salt
---------------------	----------------------------------

Product No	46062797
-------------------	----------

CAS Number	2386-57-4
-------------------	-----------

Storage Temperature	Ambient
----------------------------	---------

Molecular Weight	118.09
-------------------------	--------

Specification

Appearance	White/ offwhite powder
-------------------	------------------------

Assay	≥98%
--------------	------
