

Specification

Technical Data Sheet

Product Name	4-Fluoroacetophenone
---------------------	----------------------

Product No	46401657
-------------------	----------

CAS Number	403-42-9
-------------------	----------

Storage Temperature	Ambient
----------------------------	---------

Molecular Weight	138.14
-------------------------	--------

Specification

Appearance	Clear colourless to light yellow/ green liquid
-------------------	--

Identification (IR)	Conforms to Reference
----------------------------	-----------------------
