

Specification

Technical Data Sheet

Product Name	Potassium hexachloroplatinate(IV)
---------------------	-----------------------------------

Product No	46849972
-------------------	----------

CAS Number	16921-30-5
-------------------	------------

Storage Temperature	Ambient
----------------------------	---------

Molecular Weight	485.99
-------------------------	--------

Specification

Appearance	Yellow crystalline powder
-------------------	---------------------------

Cu	≤ 0.005%
-----------	----------

Fe	≤ 0.005%
-----------	----------

IR	≤ 0.01%
-----------	---------

Loss on Drying	≤ 0.5%
-----------------------	--------

Pb	≤ 0.005%
-----------	----------

Ag	≤ 0.005%
-----------	----------

Specification

Al	$\leq 0.005\%$
-----------	----------------

Assay	$\geq 99.9\%$
--------------	---------------

Au	$\leq 0.01\%$
-----------	---------------

Ni	$\leq 0.005\%$
-----------	----------------

Pd	$\leq 0.01\%$
-----------	---------------

Pt	$\geq 39.7\%$
-----------	---------------

Rh	$\leq 0.01\%$
-----------	---------------

Si	$\leq 0.005\%$
-----------	----------------

Sn	$\leq 0.005\%$
-----------	----------------
