

Specification

Technical Data Sheet

Product Name	Alpha,alpha-azodiisobutyramidine dihydrochloride
---------------------	--

Product No	46955882
-------------------	----------

CAS Number	2997-92-4
-------------------	-----------

Storage Temperature	Ambient
----------------------------	---------

Molecular Weight	271.19
-------------------------	--------

Specification

Appearance	White powder
-------------------	--------------

Fe	<0.01%
-----------	--------

Melting Point	165 - 175 Deg C
----------------------	-----------------

Water	<1.0%
--------------	-------

Assay	>98%
--------------	------
