

Specification

Technical Data Sheet

Product Name	Trimethyl orthopropionate
---------------------	---------------------------

Product No	47942232
-------------------	----------

CAS Number	24823-81-2
-------------------	------------

Storage Temperature	Ambient
----------------------------	---------

Molecular Weight	134.17
-------------------------	--------

Specification

Appearance	Colourless transparent liquid
-------------------	-------------------------------

Water	<0.05%
--------------	--------

Purity	>99%
---------------	------
