

Specification

Technical Data Sheet

Product Name	1-Acetyl-2-phenylhydrazine
---------------------	----------------------------

Product No	48052808
-------------------	----------

CAS Number	114-83-0
-------------------	----------

Storage Temperature	Ambient
----------------------------	---------

Molecular Weight	150.18
-------------------------	--------

Specification

Appearance	Yellow to off-white needle crystalline solid
-------------------	--

Assay/Purity	$\geq 99.0\%$
---------------------	---------------

Loss on Drying	$\leq 0.5\%$
-----------------------	--------------

Melting Point	127.0 - 132.0°C
----------------------	-----------------

Identification (IR)	Conforms to Reference
----------------------------	-----------------------
