

Specification

Technical Data Sheet

Product Name	Calcium nitrate tetrahydrate
---------------------	------------------------------

Product No	48565588
-------------------	----------

CAS Number	13477-34-4
-------------------	------------

Storage Temperature	Ambient
----------------------------	---------

Molecular Weight	236.15
-------------------------	--------

Specification

Appearance	White - beige crystals
-------------------	------------------------

Assay	≥98.0%
--------------	--------

Chloride (Cl)	≤50ppm
----------------------	--------

Sulfate (SO₄)	≤50ppm
---------------------------------	--------

Sodium (Na)	≤100ppm
--------------------	---------
