

Specification

Technical Data Sheet

Product Name	2-Cyclohexen-1-one
---------------------	--------------------

Product No	49182211
-------------------	----------

CAS Number	930-68-7
-------------------	----------

Storage Temperature	Ambient
----------------------------	---------

Molecular Weight	96.13
-------------------------	-------

Specification

Appearance	Colourless/ pale yellow/ pale orange liquid
-------------------	---

Boiling Point	168.0°C
----------------------	---------

Assay	≥98.0%
--------------	--------

Water Content (K Fischer)	≤0.2%
-----------------------------------	-------
