**PRODUCT****cis-Cyclobutane-1,2-dicarboxylic acid**

|                          |                                              |
|--------------------------|----------------------------------------------|
| <b>Product number</b>    | 49723517                                     |
| <b>CAS number</b>        | 1461-94-5                                    |
| <b>Molecular formula</b> | C <sub>6</sub> H <sub>8</sub> O <sub>4</sub> |
| <b>Molecular weight</b>  | 144.13 g/mol                                 |

| PARAMETER             | SPECIFICATION           |
|-----------------------|-------------------------|
| <b>Appearance</b>     | White crystalline solid |
| <b>Identification</b> | Conforms to reference   |

|                                |                                                                                                                                                                                                                   |
|--------------------------------|-------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| <b>SPECIFICATION STATEMENT</b> | The values stated above represent the standard specification for this product, issued under <b>Molekula Ltd</b> 's quality management system. Batch-specific results are provided on the Certificate of Analysis. |
| <b>STORAGE</b>                 | Store as indicated on the product label, away from light, moisture and incompatible materials.                                                                                                                    |

**Molekula Ltd** would like to thank you for your support of our products and service.
