

# Specification

## Technical Data Sheet

<b>Product Name</b>	Pyridinium chlorochromate
---------------------	---------------------------

<b>Product No</b>	49885640
-------------------	----------

<b>CAS Number</b>	26299-14-9
-------------------	------------

<b>Storage Temperature</b>	Ambient
----------------------------	---------

<b>Molecular Weight</b>	215.56
-------------------------	--------

### Specification

<b>Appearance</b>	Orange crystal
-------------------	----------------

<b>Identification</b>	Conforms to reference
-----------------------	-----------------------

<b>Assay</b>	≥98.0%
--------------	--------
