

Specification

Technical Data Sheet

Product Name	2,4-Di-tert-Butylphenol
---------------------	-------------------------

Product No	50045525
-------------------	----------

CAS Number	96-76-4
-------------------	---------

Storage Temperature	Ambient
----------------------------	---------

Molecular Weight	206.32
-------------------------	--------

Specification

Appearance	White or light yellow crystal
-------------------	-------------------------------

Assay	>98.0%
--------------	--------
