

Specification

Technical Data Sheet

Product Name	Potassium pyrophosphate
---------------------	-------------------------

Product No	50220032
-------------------	----------

CAS Number	7320-34-5
-------------------	-----------

Storage Temperature	Ambient
----------------------------	---------

Molecular Weight	330.34
-------------------------	--------

Specification

Appearance	White powder or block
-------------------	-----------------------

Fe	$\leq 0.01\%$
-----------	---------------

Heavy metals	$\leq 0.003\%$
---------------------	----------------

pH	10 - 10.7
-----------	-----------

Cl	$\leq 0.45\%$
-----------	---------------

K₂O	$\geq 56\%$
-----------------------	-------------

K₄P₂O₇	$\geq 98\%$
--	-------------

Specification

P2O5 $\geq 42\%$

Water Insolubles $\leq 0.1\%$
