

Specification

Technical Data Sheet

Product Name	Trithiocyanuric acid
---------------------	----------------------

Product No	50506217
-------------------	----------

CAS Number	638-16-4
-------------------	----------

Storage Temperature	Ambient
----------------------------	---------

Molecular Weight	177.27
-------------------------	--------

Specification

Appearance	Light yellow powder
-------------------	---------------------

Ash	$\leq 0.5\%$
------------	--------------

Melting Point	$\geq 300^{\circ}\text{C}$
----------------------	----------------------------

Assay	$\geq 99.0\%$
--------------	---------------

Heating loss	$\leq 0.5\%$
---------------------	--------------
