

Specification

Technical Data Sheet

Product Name	BOC-L-Isoleucine-OH
---------------------	---------------------

Product No	50675603
-------------------	----------

CAS Number	13139-16-7
-------------------	------------

Storage Temperature	Ambient
----------------------------	---------

Molecular Weight	231.29
-------------------------	--------

Specification

Appearance	White to off-white crystalline powder
-------------------	---------------------------------------

Assay	$\geq 98.0\%$
--------------	---------------

Water Content (KF)	$\leq 8.0\%$
---------------------------	--------------
