

Specification

Technical Data Sheet

Product Name	1-Methylpyrrolidine
---------------------	---------------------

Product No	51308648
-------------------	----------

CAS Number	120-94-5
-------------------	----------

Storage Temperature	Ambient
----------------------------	---------

Molecular Weight	85.15
-------------------------	-------

Specification

Appearance	Colourless transparent liquid
-------------------	-------------------------------

Assay	≥99.0%
--------------	--------

Moisture	≤0.3%
-----------------	-------
