

Specification

Technical Data Sheet

Product Name	p-Anisaldehyde (4-Methoxybenzaldehyde)
---------------------	--

Product No	51572749
-------------------	----------

CAS Number	123-11-5
-------------------	----------

Storage Temperature	Ambient
----------------------------	---------

Molecular Weight	136.15
-------------------------	--------

Specification

Appearance	Colorless to slight yellowish transparent liquid
-------------------	--

Water	$\leq 1.0\%$
--------------	--------------

Assay GC	$\geq 95.0\%$
-----------------	---------------
