

Specification

Technical Data Sheet

Product Name	Tolterodine tartrate
---------------------	----------------------

Product No	51586860
-------------------	----------

CAS Number	124937-52-6
-------------------	-------------

Storage Temperature	Ambient
----------------------------	---------

Molecular Weight	475.57448
-------------------------	-----------

Specification

Appearance	White crystal
-------------------	---------------

Assay	98% min
--------------	---------
