

Specification

Technical Data Sheet

Product Name	Calcium D-gluconate
---------------------	---------------------

Product No	51659757
-------------------	----------

CAS Number	299-28-5
-------------------	----------

Storage Temperature	Ambient
----------------------------	---------

Molecular Weight	430.37
-------------------------	--------

Specification

Purity	≥ 98%
---------------	-------

Solubility	Almost transparent (in hot water)
-------------------	-----------------------------------
