

Specification

Technical Data Sheet

Product Name	Amido Black 10B (C.I. 20470)
---------------------	------------------------------

Product No	51730981
-------------------	----------

CAS Number	1064-48-8
-------------------	-----------

Storage Temperature	Ambient
----------------------------	---------

Molecular Weight	616.4909
-------------------------	----------

Specification

Appearance	Powder
-------------------	--------

Absorption Ratio ($\lambda_{\max}-15\text{nm}/\lambda_{\max}+15\text{nm}$)	0.90-1.20
--	-----------

Specific absorption (E 1% in 10 mm cell) at λ max.	(Min.) 460.0
--	--------------

Wavelength of maximum absorption (E1% in a 1 cm cell in Water)	616.0-621.0 nm
---	----------------
