

Specification

Technical Data Sheet

| | |
|---------------------|---------------------------------|
| Product Name | 1,3,5-Benzenetricarboxylic acid |
|---------------------|---------------------------------|

| | |
|-------------------|----------|
| Product No | 51985383 |
|-------------------|----------|

| | |
|-------------------|----------|
| CAS Number | 554-95-0 |
|-------------------|----------|

| | |
|----------------------------|---------|
| Storage Temperature | Ambient |
|----------------------------|---------|

| | |
|-------------------------|--------|
| Molecular Weight | 210.14 |
|-------------------------|--------|

Specification

| | |
|-------------------|-------------------------------------|
| Appearance | Off white/ beige crystalline powder |
|-------------------|-------------------------------------|

| | |
|-----------------------|--------|
| Loss on Drying | ≤ 0.5% |
|-----------------------|--------|

| | |
|----------------------------|-----------|
| Acid value(mgKOH/g) | 780 - 800 |
|----------------------------|-----------|

| | |
|--------------|-------|
| Assay | ≥ 99% |
|--------------|-------|
