

Specification

Technical Data Sheet

Product Name	2,4-Dichlorophenoxyacetic acid
---------------------	--------------------------------

Product No	52083593
-------------------	----------

CAS Number	94-75-7
-------------------	---------

Storage Temperature	Ambient
----------------------------	---------

Molecular Weight	221.04
-------------------------	--------

Specification

Appearance	White to off-white yellow powder
-------------------	----------------------------------

Loss on Drying	$\leq 1.0\%$
-----------------------	--------------

Assay	$\geq 97.0\%$
--------------	---------------
