

Specification

Technical Data Sheet

Product Name	Methyl salicylate
---------------------	-------------------

Product No	52312203
-------------------	----------

CAS Number	119-36-8
-------------------	----------

Storage Temperature	Ambient
----------------------------	---------

Molecular Weight	152.15
-------------------------	--------

Specification

Appearance	Colourless to slightly yellow liquid
-------------------	--------------------------------------

Density	1.1750 - 1.1950
----------------	-----------------

Refractive Index	1.5340 - 1.5400
-------------------------	-----------------

Assay	≥99%
--------------	------
