

Specification

Technical Data Sheet

| | |
|---------------------|-------------------|
| Product Name | 2-Fluoro-p-xylene |
|---------------------|-------------------|

| | |
|-------------------|----------|
| Product No | 52341596 |
|-------------------|----------|

| | |
|-------------------|----------|
| CAS Number | 696-01-5 |
|-------------------|----------|

| | |
|----------------------------|---------|
| Storage Temperature | Ambient |
|----------------------------|---------|

| | |
|-------------------------|--------|
| Molecular Weight | 124.16 |
|-------------------------|--------|

Specification

| | |
|-------------------|--------|
| Appearance | Liquid |
|-------------------|--------|
