

Specification

Technical Data Sheet

Product Name	Cisplatin (cis-Dichlorodiammineplatinum(II))
---------------------	--

Product No	52453372
-------------------	----------

CAS Number	15663-27-1
-------------------	------------

Storage Temperature	Ambient
----------------------------	---------

Molecular Weight	300.05
-------------------------	--------

Specification

Appearance	Yellow crystalline powder
-------------------	---------------------------

Grade	USP 33
--------------	--------

Water	≤1%
--------------	-----

Assay	≥98% min
--------------	----------

Platinum Content	64.42%~65.22%
-------------------------	---------------
