

# Specification

## Technical Data Sheet

<b>Product Name</b>	Oxacillin sodium salt monohydrate
---------------------	-----------------------------------

<b>Product No</b>	52575358
-------------------	----------

<b>CAS Number</b>	7240-38-2
-------------------	-----------

<b>Storage Temperature</b>	2 to 8 °C
----------------------------	-----------

<b>Molecular Weight</b>	441.43
-------------------------	--------

### Specification

<b>Appearance</b>	A white powder or crystalline powder
-------------------	--------------------------------------

<b>pH</b>	4.5-7.5
-----------	---------

<b>Water</b>	3.5-5.0%
--------------	----------

<b>Assay</b>	815ug-950ug
--------------	-------------

<b>Isobutyl Acetate Residue</b>	≤0.5%
---------------------------------	-------
