

Specification

Technical Data Sheet

Product Name	4-Methyl-3-nitrophenol (3-Nitro-p-cresol)
---------------------	---

Product No	52961516
-------------------	----------

CAS Number	2042-14-0
-------------------	-----------

Storage Temperature	Ambient
----------------------------	---------

Molecular Weight	153.14
-------------------------	--------

Specification

Appearance	Yellow Powder
-------------------	---------------

Identification	Conforms to reference
-----------------------	-----------------------
