

Specification

Technical Data Sheet

Product Name	HEDTA-Trisodium Salt 41% in H ₂ O
---------------------	--

Product No	53149122
-------------------	----------

CAS Number	139-89-9
-------------------	----------

Storage Temperature	Ambient
----------------------------	---------

Molecular Weight	344.20
-------------------------	--------

Specification

Appearance	Colourless to light yellow liquid
-------------------	-----------------------------------

Concentration	41% min
----------------------	---------
