

Specification

Technical Data Sheet

Product Name	5-Amino-2-hydroxypyridine
---------------------	---------------------------

Product No	53199172
-------------------	----------

CAS Number	33630-94-3
-------------------	------------

Storage Temperature	Ambient
----------------------------	---------

Molecular Weight	110.11
-------------------------	--------

Specification

Appearance	Dark Brown Powder
-------------------	-------------------

Identification	Conforms to reference
-----------------------	-----------------------
