

Specification

Technical Data Sheet

Product Name	Eriochrome cyanine R
---------------------	----------------------

Product No	53361433
-------------------	----------

CAS Number	3564-18-9
-------------------	-----------

Storage Temperature	Ambient
----------------------------	---------

Molecular Weight	536.40
-------------------------	--------

Specification

Appearance	Red/brown powder
-------------------	------------------

Purity	101-102
---------------	---------

Identity(IR)	Conforms to reference
---------------------	-----------------------
