

# Specification

## Technical Data Sheet

<b>Product Name</b>	Calcium hypochlorite
---------------------	----------------------

<b>Product No</b>	54543637
-------------------	----------

<b>CAS Number</b>	7778-54-3
-------------------	-----------

<b>Storage Temperature</b>	Ambient
----------------------------	---------

<b>Molecular Weight</b>	142.98
-------------------------	--------

### Specification

<b>Appearance</b>	White to cream or pale grey granular powder
-------------------	---

<b>Identification</b>	Conforms to reference
-----------------------	-----------------------

<b>Assay</b>	62-72%
--------------	--------
