

Specification

Technical Data Sheet

Product Name	Dodecyltrimethylammonium chloride 25% solution in water
---------------------	---------------------------------------------------------

Product No	54952018
-------------------	----------

CAS Number	112-00-5
-------------------	----------

Storage Temperature	Ambient
----------------------------	---------

Molecular Weight	263.89
-------------------------	--------

Specification

Appearance	Clear colourless liquid
-------------------	-------------------------

Assay	Around 25%
--------------	------------
