

Specification

Technical Data Sheet

Product Name	Ouabain octahydrate
---------------------	---------------------

Product No	55079698
-------------------	----------

CAS Number	11018-89-6
-------------------	------------

Storage Temperature	Ambient
----------------------------	---------

Molecular Weight	728.77
-------------------------	--------

Specification

Appearance	White to off-white powder
-------------------	---------------------------

Loss on Drying	18 - 22%
-----------------------	----------

Specific rotation	-30 to -33
--------------------------	------------

Assay	>98%
--------------	------
