

# Specification

## Technical Data Sheet

<b>Product Name</b>	2,4,6-Collidine (2,4,6-Trimethylpyridine)
---------------------	---

<b>Product No</b>	55454833
-------------------	----------

<b>CAS Number</b>	108-75-8
-------------------	----------

<b>Storage Temperature</b>	2 to 8 °C
----------------------------	-----------

<b>Molecular Weight</b>	121.18
-------------------------	--------

### Specification

<b>Appearance</b>	Liquid
-------------------	--------
