

Specification

Technical Data Sheet

Product Name	Basic Yellow 40
---------------------	-----------------

Product No	55618603
-------------------	----------

CAS Number	12221-86-2
-------------------	------------

Storage Temperature	Ambient
----------------------------	---------

Molecular Weight	397.90
-------------------------	--------

Specification

Appearance	Yellow powder
-------------------	---------------

Identification	Conforms to reference
-----------------------	-----------------------

Strength	100% +/-5%
-----------------	------------
