

Specification

Technical Data Sheet

Product Name	Propionic acid 99%
---------------------	--------------------

Product No	55644582
-------------------	----------

CAS Number	79-09-4
-------------------	---------

Storage Temperature	Ambient
----------------------------	---------

Molecular Weight	74.08
-------------------------	-------

Specification

Appearance	Colourless liquid
-------------------	-------------------

Assay/Purity	$\geq 99.5\%$
---------------------	---------------

Water	$\leq 0.25\%$
--------------	---------------

Identification (RAMAN)	Conforms to Reference
-------------------------------	-----------------------

Colour Apha	≤ 10
--------------------	-----------
