

Specification

Technical Data Sheet

Product Name	3-Chloropropionic acid
---------------------	------------------------

Product No	56494984
-------------------	----------

CAS Number	107-94-8
-------------------	----------

Storage Temperature	Ambient
----------------------------	---------

Molecular Weight	108.52
-------------------------	--------

Specification

Appearance	Colourless to slightly yellowish solid or Beige/ light brown solid
-------------------	--

Purity	≥98.0%
---------------	--------
