Technical Data Sheet

Product Name	Resazurin sodium salt
Product No	56554686
CAS Number	62758-13-8
Storage Temperature	Ambient
Molecular Weight	251.17
	Specification
Appearance	Black powder
Dye Content	>90%
For research use only, not for human use	research use only, not for human use
Solubility	Soluble in water, insoluble in ether, and slightly soluble in alcohol and acetic acid
Spectroscopy	Peak 602nm, ratio 1.15 at 587/617
