

# Specification

## Technical Data Sheet

|                     |                |
|---------------------|----------------|
| <b>Product Name</b> | Hydroquinidine |
|---------------------|----------------|

|                   |          |
|-------------------|----------|
| <b>Product No</b> | 56569844 |
|-------------------|----------|

|                   |           |
|-------------------|-----------|
| <b>CAS Number</b> | 1435-55-8 |
|-------------------|-----------|

|                            |         |
|----------------------------|---------|
| <b>Storage Temperature</b> | Ambient |
|----------------------------|---------|

|                         |        |
|-------------------------|--------|
| <b>Molecular Weight</b> | 326.43 |
|-------------------------|--------|

### Specification

|                   |       |
|-------------------|-------|
| <b>Appearance</b> | Solid |
|-------------------|-------|
