

Specification

Technical Data Sheet

Product Name	N,N-Dimethylethylenediamine
---------------------	-----------------------------

Product No	56839770
-------------------	----------

CAS Number	110-70-3
-------------------	----------

Storage Temperature	Ambient
----------------------------	---------

Molecular Weight	88.15
-------------------------	-------

Specification

Appearance	Colourless liquid
-------------------	-------------------

Water	$\leq 0.5\%$
--------------	--------------

Assay	$\geq 98.0\%$
--------------	---------------

Identification (IR)	Conforms to reference
----------------------------	-----------------------
