

Specification

Technical Data Sheet

Product Name	Lithium trifluoromethanesulfonate
---------------------	-----------------------------------

Product No	56978926
-------------------	----------

CAS Number	33454-82-9
-------------------	------------

Storage Temperature	Ambient
----------------------------	---------

Molecular Weight	156.01
-------------------------	--------

Specification

Appearance	White to off-white powder
-------------------	---------------------------

Assay/Purity	≥ 98.0%
---------------------	---------

Identification (IR)	Conforms to Reference
----------------------------	-----------------------
