

Specification

Technical Data Sheet

Product Name	N,N'-Dicyclohexylcarbodiimide (DCC)
---------------------	-------------------------------------

Product No	57041553
-------------------	----------

CAS Number	538-75-0
-------------------	----------

Storage Temperature	Ambient
----------------------------	---------

Molecular Weight	206.33
-------------------------	--------

Specification

Appearance	White or light yellow solid or liquid
-------------------	---------------------------------------

Loss on Drying	≤0.5%
-----------------------	-------

Melting Point	33 - 35 °C
----------------------	------------

Purity	≥99.0%
---------------	--------
