

Specification

Technical Data Sheet

Product Name	Piracetam
Product No	57287055
CAS Number	7491-74-9
Storage Temperature	Ambient
Molecular Weight	142.16
	Specification
Appearance	White powder
Heavy metals	<10ppm
Identification	Conforms to reference
Loss on Drying	<1.0%
Single Impurity	<0.1%
Assay	98 - 102%
Clarity and colour of solution	Should be clear and colourless

Specification

Isopropanol	<2000ppm
--------------------	----------

Methanol	<1500ppm
-----------------	----------

Residue on Ignition	<0.1%
----------------------------	-------

Total Impurities	<0.3%
-------------------------	-------
