## Technical Data Sheet

<b>Product Name</b>	8-Hydroxy-2-tetralone
---------------------	-----------------------

<b>Product No</b>	57291624
-------------------	----------

<b>CAS Number</b>	53568-05-1
-------------------	------------

<b>Storage Temperature</b>	Ambient
----------------------------	---------

<b>Molecular Weight</b>	162.19
-------------------------	--------

### Specification

<b>Appearance</b>	Solid
-------------------	-------

<b>Identification</b>	Conforms to reference
-----------------------	-----------------------
