

Specification

Technical Data Sheet

Product Name	Indole-6-carboxaldehyde (6-Formylindole)
---------------------	--

Product No	57459113
-------------------	----------

CAS Number	1196-70-9
-------------------	-----------

Storage Temperature	Ambient
----------------------------	---------

Molecular Weight	145.16
-------------------------	--------

Specification

Appearance	Solid
-------------------	-------
